

In this document we explain how you can earn money with the Catawiki Partner Network. By promoting Catawiki on your website you can earn money on two different ways:

1. We will pay you a fixed amount for every new user who placed a first bid or submitted the first lot. We call this a **bidder** or **submitter**.
2. If a new or existing user won a lot or sold a lot, you can earn up to 80% of the **buyer auction fee** or **seller commission fee**.

1. Lead Rewards

- *Bidder Reward:* You will receive a fixed amount for every new registered user who placed his first valid bid within 30 days of the click.
- *Submitter Reward:* You will receive a fixed amount for every new registered user who submits his first lot within 30 days of the click.

2. Commission Reward

New Users

- *Buyer commission:* You will receive 80% of the total buyer auction fee if the lot has been bought within 60 days of the click.
- *Seller commission:* You will receive 80% of the total seller commission fee if the lot has been sold within 60 days of the click.

Existing users
