Partner network

In this document we explain how you can earn money with the Catawiki Partner Network. By promoting Catawiki on your website you can earn money on two different ways:

1. We will pay you a fixed amount for every new user who placed a first bid or submitted the first lot. We call this a bidder or lot submitter.
2. If a new or existing user won a lot or sold a lot, you can earn up to 80% of the buyer auction fee or seller commission fee.

Lead Rewards

Bidder reward: You will receive a fixed amount for every new registered user who placed his first valid bid within 30 days of the click.

Submitter reward: You will receive a fixed amount for every new registered user who submits his first lot within 30 days of the click.

* The allocated reward is based on the auction category of the first bid or first submitted lot. You can find the overview of the amounts per auction category on the second page.

Commission Rewards

New Users

Buyer commission: You will receive 80% of the total buyer auction fee if the lot has been bought within 60 days of the click.

Seller commission: You will receive 80% of the total seller commission fee if the lot has been sold within 60 days of the click.

Existing users

Buyer commission: You will receive 40% of the total buyer auction fee if a lot has been bought within 60 days of the click.

Seller commission: You will receive 40% of the total seller commission fee if a lot has been sold within 60 days of the click.

* Every sale will be limited at an amount of €3000.

Example: If a new user signs up and wins his first lot or submits his first lot within 60 days of the click, you will receive the following rewards: Bidder or Lot Submitter Reward based on the auction category. (only if this happen within 30 days of the click) 80% of the buyer or seller commission Reward if a lot has been bought or sold.

Example: If an existing user won a lot or sold a lot within 60 days of the first click you will receive the following reward: 40% buyer or seller commission.
